

Project: DESK ORGANIZER

Materials:

Quantity	Material
1	small box per child
1	scissors per child
1	8 1/2" x 11" foam sheet per child, in any color they want
1	pencil per child
	foam letter stickers
	foam stickers
	foam glue or low temp glue gun

Instructions:

- 1) Place box on foam sheet and trace bottom. Cut out rectangle and glue to box bottom.
- 2) Trace all 4 sides of box. Cut out and glue to box sides.
- 3) Decorate and personalize desk organizer with foam stickers and foam letter stickers. Make interesting shapes in remaining foam and glue to desk organizer. Now you can keep track of pencils, pens, erasers and glue sticks!
