

Project: 4th OF JULY WATER BOTTLE

Materials:

Quantity	Material
1	Water bottle
	Enough red foam to cover bottle up to bottle "shoulders"
3	1" strips of white foam
	Scraps of blue foam
	Neon Letters (FCM item #6786)
	Low temperature hot glue gun or foam glue
	Scissors
	Ruler
	Pencil
	Scrap of paper

Instructions:

- 1) Measure the bottle and cut a piece of red foam large enough to wrap around it. Glue it to the bottle.
- 2) Glue the white strips around the bottle at even intervals.
- 3) Draw a star (about 2" across) on the scrap paper. Cut it out and use it as a pattern to make three blue foam stars. Glue them to the bottle.
- 4) Peel and place USA letters on top stripe.
