## **Dear Teacher,**

We are happy to announce that we have chosen to sell prepackaged school supplies for the upcoming school year. The School Tool Box™ program is customized to your grade level's supply list, using quality products.

In order to participate in the program, we need your assistance. Please review your supply list carefully for accuracy.

The School Tool Box™ program ships the school supplies directly to the student's home during the summer, so your students are equipped when they arrive in your classroom. **PLUS**, each School Tool Box™ sold will provide one meal to a starving child through *Feed My Starving Children*.

Your cooperation helps make this program a success.
